

Group Head of Transport, Customs & Export Control

Driving License
Muret (31600) France

Professional with 22 years of experience in the pharmaceutical and aeronautical industries combined with solid training in customs compliance, international transport and logistics, with a strong aptitude for acquiring new knowledge.

Able to both work in a team and operate independently, I demonstrate a strong sense of organization and proven skills in Supply Chain, supported by diploma training in export control & trade compliance.

Experiences

Group Head of Transport, Customs & Export Control

LAUAK Group - Since April 2025

- ▶ I lead and coordinate the Group's global strategy across five countries (France, Portugal, Canada, Mexico, India), ensuring operational efficiency, regulatory compliance, and risk control in all logistics and international trade flows.
- ▶ Transport:
Design and optimization of international transport schemes, interco flows, and multimodal operations. Cost control and carrier performance management.
- ▶ Customs:
Tariff classification, special procedures (IPR/OPR), documentation compliance, and digital customs systems. Group-level coordination with national authorities.
- ▶ Export Control:
Dual-use and military classification (EU, ITAR, EAR), export licensing, contractual clauses, and screening for international sanctions compliance.
